REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Monaview Elementary Goals and Objectives:

The 2008-2009 school year was a wonderful and exciting year at Monaview Elementary. SIC, PTA, School Faculty Council, staff, and students worked together in establishing a shared vision. As a learning community, we used the Greenville County Schools' Educational Plan as a framework to establish and implement directional goals, which led to increased student performance in the core subject areas of math, science, and social studies as measured by MAPS. Upon reviewing current test data, SC State Standards for learning, and student benchmark data, priority goals were established to increase student performances in English/Language Arts. Strategies to support these goals included four-block and vocabulary professional development for all teachers. With the assistance of teachers, students established individual academic goals for the school year. Academic rigor in the curriculum and grade level RIT groups was implemented to support priority goals.

Monaview Elementary Accomplishments for 2008-2009:

Monaview experienced ongoing celebrations this school year for being recognized by the State Department of Education as a 2009 Palmetto Silver Award Winner. The Greenville Drive awarded Monaview students the 2009 ALL-STAR TOP Elementary School Performance Award Plaque for having the highest number of students reading on a daily basis in the District. Monaview Elementary Webmaster received the 2008-2009 Bronze Webmaster Award. Monaview Elementary was awarded the 2008-2009 Silver Award from the American Association of Webmasters. Monaview Elementary Teacher of the Year received school and District recognition as one of the Top 10 finalists for "Teacher of the Year" candidates.

Monaview Elementary Future Plans:

Plans for the 2009-2010 school year have already begun with the Monaview Elementary learning community voting on their school-wide theme: Destination Learning—Oh the Places You Can Go! Monaview will continue to review data from a variety of sources and set new goals for increased student performance in all core subjects. Administration and Faculty Council will continue to build teacher capacity using the IDEA and Smart Arts methods and strategies, and the implementation of looping. PTA, SIC and School Administration will promote increased student safety measures to ensure a safe and caring learning environment is in place for all students. Together, we will aim high, prepare well, and achieve success!
